

Healthcare Navigator Program

The Hawaii Laborers' Health and Welfare Fund Board of Trustees introduces the Healthcare Navigator Program Benefit Effective 3/1/2025

This unique program involves Healthcare Navigators who are specially trained clinicians who will help guide you and your family to ensure that you are getting access to high quality, cost-effective care by providing:

- Guidance from a clinician to help manage and understand complex medical conditions
- FREE Nurse navigator service for eligible members
- 100% confidentiality guaranteed

William Ham, RN

The healthcare navigator can help you:

- Find a doctor that you can work with or a second opinion with another doctor
- Better understand complex medical conditions
- Help manage and interpret your health benefits
- Locate community resources that you may qualify for
- Identify savings on pharmacy medications and medical equipment
- Screening services for:
 - * Body Mass Index
 - * Blood Pressure
 - * Diabetes (HgA1C)
 - * Cholesterol
 - * Colon Cancer (Fecal Occult Blood Test)
- Smoking Cessation

About William:

- Chaminade University School of Nursing Graduate
- RN since 2019, with acute care, primary care and chronic disease management.
- Your information will be confidential

Here is how it will work:

- Member must be eligible on Hawaii Laborers' Health and Welfare Fund plan.
- If you have any questions regarding your health, benefits, or billing, you will be able to contact our healthcare navigator team.
- Members who have 3 or more chronic conditions will be contacted by your assigned healthcare navigator to assist with your medical needs.
- **Come to the Hawaii Laborers' membership meetings to meet your Healthcare Navigator Team.**

For assistance or more information, please call the Healthcare Navigator Program at (808)913-3699 Monday – Friday 8:00am – 4pm or email us at healthcarenavigator@bps-hi.com
